Use

Clothing to be worn to protect against spray, airborne solid particulates, radioactive particulates, infective agents and antistatic properties. Other uses than those listed above are excluded.

Tests

The test results are included in the report: 16RA12993, 16RA12997, 17RA04039, 17RA04063, 17RA15839, 17RA16006.

Marking

The following information are listed on the label inside the garment:

- EC marking
- Company name
- Article code
- Standards
- Standardized pictograms
- Maintenance symbols
- PPE category

Validity

- This certificate has 5-year validity from issue date. On expiration date the Manufacturer will be responsible to require the renewal.
- The applied standards are the ones currently valid at issue date of this Certificate. The certificate validity is not ensured in case of reviewed standards before the expiry date.
- Any change on model and materials object of this Certificate shall be notified and then approved by Centrocot.

This certificate must be filed by the manufacturer and must be shown, if requested, to the Body that performs controls or to the surveillance authority
