## EU TYPE-EXAMINATION CERTIFICATE

no: AC 06045 Rev.1

Pursuant to Regulation (EU) 2016/425 of the European Parliament and of the Council of 9 March 2016,

**CERTOTTICA Srl**

Italian Institute for the certification of optical products  
Notified body under PPE Regulation with identification number: 0530

considering application for EU type-examination no. **18294** submitted on **18/12/2018**

### CERTIFIES THAT

the following personal protective equipment type

**Personal eye protector - Spectacle**  
**IJ-0405**

submitted by

**Jaan Lin Optical Co., Ltd.**

NO. 58, Gongye 2nd Road, Tainan Technology Industrial Park, Annan District, Tainan City 70955, TAIWAN

meet the essential health and safety requirements which apply to it.

Description of the personal protective equipment model, references to the standards, test results and description of the CE marking placed on the equipment are described on pages 2, 3 and 4 of this document.

First issued on: **23/06/2006**

Renewal or revision date: **21/12/2018**

Expiry date: **20/12/2023**

Longarone, **21/12/2018**

Certification Services Manager  
(Giorgio Sommariva)

**Longarone**

**S.C.R.L.**

This document has no. 4 numbered pages.

### 1. Description of the Personal Protective Equipment

Identification of the PPE: IJ-0405  
Trade name: JAAN LIH  
Kind of equipment: Personal eye protector - Spectacle  
Ocular Material: Polycarbonate  
Frame Material: Polycarbonate  
In compliance with Standard(s): EN 166:2001 and /  
PPE Category: II  
Field(s) of use: Protection against high-speed particles - Low energy impact;  
Protection against optical radiation - Ultraviolet filters - EN 170 (Yellow ocular);  
Protection against optical radiation - Sunglare filters for industrial use - EN 172 (Gray ocular).  
/  
/

Note: The present EU type-examination certificate is the first revision of the previous EC Type-Examination Certificate issued by Certottica on 23/06/2006 with number AC 06045. This first revision converts the EC Type-Examination Certificate into an EU type-examination certificate, updates the manufacturer's address and adds the Yellow and Gray ocular variants.  
The eye-protector model IJ-0405 has three ocular variants: Clear (without filtering action), Yellow (protection against optical radiation - ultraviolet filters) and Gray (protection against optical radiation - sunglare filters for industrial use).

Manufacturer's name: Jaan Lih Optical Co., Ltd.  
Manufacturer's address: NO. 58, Gongye 2nd Road, Tainan Technology Industrial Park, Annan District, Tainan City 70955, TAIWAN  
Authorised representative's name: /  
Authorised representative's address: /  
Certificate's holder: Jaan Lih Optical Co., Ltd.  
Holder's address: NO. 58, Gongye 2nd Road, Tainan Technology Industrial Park, Annan District, Tainan City 70955, TAIWAN

## 2. Levels of protection offered by the PPE

Applicable harmonised standards/technical specifications:

EN 166:2001 - Personal eye-protection - Specifications

EN 167:2001 - Personal eye-protection - Optical test methods

EN 168:2001 - Personal eye-protection - Non-optical test methods

EN 170:2002 - Personal eye-protection - Ultraviolet filters - Transmittance requirements and recommended use

EN 172:1994/A1:2000/A2:2001 - Personal eye-protection - Sunglare filters for industrial use

Personal protection equipment model: IJ-0405

complies with the basic requirements and with the following additional requirements provided for by the harmonised standard(s)/technical specification(s) for the particular use of this PPE in the foreseeable conditions of use

EN 166:2001 and /

Protection against high-speed particles - Low energy impact.

/

/

/

/

Moreover, the personal protection equipment complies with the specific requirements provided for by the connected harmonised standard(s)/technical specification(s) for the particular fields of use:

EN 170 and EN 172

The eye-protector model IJ-0405 with the Yellow ocular variant is designed for protection against optical radiation - ultraviolet filters;

The eye-protector model IJ-0405 with the Gray ocular variant is designed for protection against optical radiation - sunglare filters for industrial use.

## 3. Test and examinations results are covered by the following test reports:

ICS Laboratories Inc.

T3022-02-2

28/02/2007

| Standard of reference           |               |                 | /        |
| Symbol of Mechanical Resistance |               | F               | /        |
| /                               |               | /               | /        |
| /                               |               | /               | /        |
| /                               |               | /               | /        |
| /                               |               | /               | /        |
| /                               |               | /               | /        |
| CE Marking                      |               | CE              | /        |

Marking position: On the front ocular side, in the upper central position.

**5. The Marking elements reproduced on the frame are the following:**

|                                                             |    |        |
|-------------------------------------------------------------|----|--------|
| Manufacturer's Identification                               | JL |        |
| Reference standard                                          |    | EN 166 |
| Protection against high-speed particles - Low energy impact |    | F      |
| /                                                           |    | /      |
| /                                                           |    | /      |
| /                                                           |    | /      |
| /                                                           |    | /      |
| CE Marking                                                  |    | CE     |
| Marking position: On the right temple, inner position.      |    |        |

**6. Statement for category III PPE:**

/

**Terms and conditions under which the Certificate is issued**

- Marking and instructions have been examined in English. Obtaining and supplying versions in languages accepted by the countries where the product is sold are under the complete responsibility of the Manufacturer or of his authorized representative.
- Any changes to the product, to the technical documentation or, in set cases, to the manual or to the quality control procedures, shall be notified in time to Certottica.
- The Manufacturer or his authorized representative shall respect the procedures and rules provided for by Certottica for the issuing of the EU type-examination.
- Copies of this EU type-examination certificate, supplied to third parties, shall be reproduced in their entirety.
- This EU type-examination certificate shall be kept by the Manufacturer to be shown, on request, to the market surveillance authorities.
- This EU type-examination certificate remains property of Certottica, which can ask it to be returned if any of the above mentioned conditions is not respected.
